

## 2010 Mackinaw Rec Basketball Skills Program

This basketball program will use the philosophy of coaches working together with the kids to teach the fundamentals of basketball. This includes dribbling, passing, shooting, defense, and team concepts. The coaches will include Dee-Mack boys' and girls' basketball coaching staff, along with volunteers from the community. The program will be held on Saturdays emphasizing individual skill development. At the end of each session we will have short 3 on 3 scrimmages. We will have a special "Showcase Saturday" on the last Saturday of the program highlighting all that the kids have learned with red-white scrimmages.

Sessions will be held Saturdays, January 16 – March 6
